

Dear IT'S NOT A SQUARE Participants,

You know what they say about “the best laid plans” —

Well, despite my best efforts to create perfect directions for the monthly IT'S NOT A SQUARE block guides, gremlins crept in and there are a few errors I need to alert you to. All of them involve incorrect letters under the thumbnail fabric photos in the monthly block guides. I'm sure you would have been able to figure out the location of each fabric just by looking at the picture, but I wanted to be sure you have the information needed to make the corrections on the block guides themselves. Rather than try to describe the location of the problem letters, I've prepared the chart below to show you the correct order of all of the letters for the fabric photos for the blocks in question. Some fabric thumbnails have more than one letter associated with them and these are separated by commas.

IT'S NOT A SQUARE CORRECTIONS FOR MONTHLY BLOCK GUIDES

MONTH	BLOCK NAME	THUMBNAIL FABRIC LETTERS (moving left to right, thumbnail photos separated by slashes)
Month 1	Paw Prints	A/A/B/B/C,D/E
Month 3	Wrong Way	A,B/C,D/E,F/G,H/I,J
Month 7	Facets	A/B/D/D/C/C
Month 7	Checkers	A/B/C/D,E
Month 9	Confused Geese	A,B/F/E/D/C
Month 12	Confetti	A/A/A/A,B/A/A/B/A/C,D,E

I hope you're making good progress on your blocks and that you're enjoying the challenge of working with this new shape. Again, my sincere apologies for any confusion or inconvenience I've caused.

Carol Hopkins
